Type NGO
Level International
Active Yes
Alianza Mesoamericana de Pueblos y Bosques
AMPB

Summary

The Mesoamerican Peoples and Forests Alliance was formed by community and indigenous organisations in the lead up to the sixteenth Conference of the Parties to the United Nations Framework Convention on Climate Change (UNFCCC COP 16), which was held in Cancun in 2010. It is a space for coordination between indigenous and peasant territorial authorities that exercise control over forests in Meso (Central) America.
