Summary

International Financing for REDD+ A Project of WWF US Policy Program This is a report of the project “International Financing for REDD,” undertaken by WWF US Policy Program between July 2009 and June 2010, as part of WWF FC NI Program “Engaging Civil Society in REDD+ Programs. The focus of the “International Financing for REDD” project was: (a) To further UNFCCC parties’ understanding of the role and sequencing of public, private and market funding for REDD; and, (b) To discuss institutional and funding arrangements for REDD+ at international and national level. The project worked by (a) engaging in the international REDD+ discussion in the run up to COP15; (b) producing or participating in the production of technical reviews, reports and proposals; (c) advising WWF network on these issues; and (d) collaborating with WWF country offices in the review of country level arrangements for REDD. Please direct queries regarding the project and this report to its director Pablo Gutman at Pablo.gutman@wwfus.org [13]
