Forestry Department (Fiji)

Actor
Country: Pacific Island Countries, Fiji
Type Government
Level National
Active No

Summary

The Forestry Department is the focal point for the national REDD+ programme and it is the lead agency in charge of REDD+ coordination and implementation. The Forestry Department sits within the Ministry of Fisheries and Forests and is the home of the national REDD+ Steering Committee’s secretariat. The Conservator of Forests has the mandate to approve all REDD+ project proposals and activities after consulting with the Steering Committee. It is the main partner of the GIZ (Deutsche Gesellschaft für Internationale Zusammenarbeit) and the Secretariat for the Pacific Community’s (SPC) regional REDD+ project.
